

Planting Year 2009

This is to certify that

Swish Connect

Is offsetting an estimated 20 tonnes of
carbon dioxide emissions
by the planting of native trees

**Carbon Neutral is
committed to securing
a better future for
our children.**

Our goal is to make it
easy to offset emissions
through native tree
planting and facilitating
access to information on
greenhouse gas emissions
reduction.

We are a not-for-profit
company, founded by
Men of the Trees WA
and affiliated with Trees
for Life SA. These not-
for-profit community
organisations have
collectively grown over
30 million native trees in
Australia during the
past 27 years.
