

Planting Year 2009

This is to certify that

Swish Connect

Is offsetting an estimated 20 tonnes of
carbon dioxide emissions
by the planting of native trees

**Carbon Neutral is
committed to securing
a better future for
our children.**

Our goal is to make it easy to offset emissions through native tree planting and facilitating access to information on greenhouse gas emissions reduction.

We are a not-for-profit company, founded by Men of the Trees WA and affiliated with Trees for Life SA. These not-for-profit community organisations have collectively grown over 30 million native trees in Australia during the past 27 years.
